

Let You Go

Casey Donahew Band

Sometimes I'm lonely
and sometimes I'm lost
Sometimes I let you down
No matter how much it costs

Sometimes I'm reckless
and I never think twice
Sometimes I fall apart
You're always paying the price

Now I'm lonely and I don't care
'Cause I'm the one who let you down
But if you give me half a chance
I'll do everything I can to let you know
I never meant to let you go

Sometimes I wonder
why the world has to turn
Sometimes I break down
There's a lesson I should learn

Sometimes I'm without
When this life takes it's toll
How can I give you back
all the things that I've stole

Now I'm lonely and I don't care
'Cause I'm the one who let you down
But if you give me half a chance
I'll do everything I can to let you know
I never meant to let you go

I'm not sure if you can hear me
So I keep screamin' out your name

Now I'm lonely and I don't care
'Cause I'm the one who let you down
But if you give me half a chance
I'll do everything I can
Everything I can...

Because I'm lonely and I don't care
Now I'm the one who let you down
But if you give me half a chance
I'll do everything I can to let you know
I never meant to let you go

I never meant to let you go...
