

# Love the Way You Miss Me

Casey James

Girl the way you're talkin' now  
And everything we're talkin' about  
Ain't no way, no how  
That I can put this phone down  
Even though we're miles apart  
I can feel you touchin' my heart  
Lyin' here in the dark  
Wishin' I was where you are

Baby, you're driving me crazy  
Girl if I could, you know I would  
Be right there right now  
Baby, you're making me lose my mind  
And I'm counting down the days 'til I get home  
I love the way you miss me when I'm gone

You know what I wanna hear  
Girl you're comin' in loud and clear  
Like sweet music to my ears  
What I'd do if you were here

Baby, you're driving me crazy  
Girl if I could, you know I would  
Be right there right now  
Baby, you're making me lose my mind  
And I'm counting down the days 'til I get home  
I love the way you miss me when I'm gone

Girl I hate these nights  
When I can't hold you tight  
Cause I know by your side  
Is right where I belong

Baby, you're driving me crazy  
Girl if I could, you know I would  
Be right there right now  
Baby, you're making me lose my mind  
And I'm counting down the days 'til I get home  
I love the way you miss me when I'm gone  
Yeah
