

Workin' On It

Casey James

My old truck won't turn
But, I'm workin' on it
Ain't got no money to burn
But, I'm workin' on it
See that hot little thing over there
I ain't tangled up in that long blonde hair

But, I'm workin', yeah, I'm workin'
365, 24/7
Yeah, I'm workin', yeah, I'm workin'
And it's all there in my head
But, I just ain't got it yet
But, I'm workin' on it

I ain't her kinda man
But, I'm workin' on it
My style ain't in demand
But, I'm workin' on it
I'm just another guy with a cheap guitar
In a cover band in a country bar

But, I'm workin', yeah, I'm workin'
365, 24/7
Yeah, I'm workin', yeah, I'm workin'
And it's all there in my head
But, I just ain't got it yet
But, I'm workin' on it
Yeah, I'm workin' on it

I'm a diamond in the mud
I'm a gambler with no luck
On a road that's all tore up
But, I'm workin, workin', workin'
I'm workin', yeah, I'm workin'

365, 24/7
Yeah, I'm workin', yeah, I'm workin'
And it's all there in my head
But, I just ain't got it yet
But I'm workin' on it
Yeah, I'm workin' on it
I said I'm workin' on it
Yeah, I'm workin' on it
