

## Workin' On It

Casey James

My old truck won't turn  
But, I'm workin' on it  
Ain't got no money to burn  
But, I'm workin' on it  
See that hot little thing over there  
I ain't tangled up in that long blonde hair

But, I'm workin', yeah, I'm workin'  
365, 24/7  
Yeah, I'm workin', yeah, I'm workin'  
And it's all there in my head  
But, I just ain't got it yet  
But, I'm workin' on it

I ain't her kinda man  
But, I'm workin' on it  
My style ain't in demand  
But, I'm workin' on it  
I'm just another guy with a cheap guitar  
In a cover band in a country bar

But, I'm workin', yeah, I'm workin'  
365, 24/7  
Yeah, I'm workin', yeah, I'm workin'  
And it's all there in my head  
But, I just ain't got it yet  
But, I'm workin' on it  
Yeah, I'm workin' on it

I'm a diamond in the mud  
I'm a gambler with no luck  
On a road that's all tore up  
But, I'm workin, workin', workin'  
I'm workin', yeah, I'm workin'

365, 24/7  
Yeah, I'm workin', yeah, I'm workin'  
And it's all there in my head  
But, I just ain't got it yet  
But I'm workin' on it  
Yeah, I'm workin' on it  
I said I'm workin' on it  
Yeah, I'm workin' on it
