

1 Out Of 3 Has A Std

Casey Jones

You've fucked a 100 girls
And no plans to stop
You've crushed a 1000 pills & always drink till you drop
Well holy fucking shit
You're such a fucking man
Ladies and gentlemen
Let him take a stand
You are the dead
And you think you're so far ahead
You're just another one walking dead
Deadman and you think you're so far ahead
Deadman you're just another one walking dead
