

Jersey Girl

Cash Cash

So be my jersey girl
I know you're a jersey girl inside

Four am at diner stop
Singing livin' on a prayer
I'm thinking maybe you're a jersey girl
With all those highlights in your hair
No other girl can move like you
We pump our fist
Damn right its true
And I don't care what they might say
They never get us anyway

So be my jersey girl
And take a little ride with me tonight
And let's get dirty girl
I know that your a jersey girl inside

The way you turn it up
Turn me on
And then you take it off
Make it hot
Make it loud
We'll wake the whole town

Jersey girl jersey girl
I know that your a jersey girl inside

Throwing money on those boardwalk games
Having the time of my lives
Remember when I fought that hot head guy for you
You know how we roll

Nobody talk they way we do
The way we curse
Damn right it's true
And I don't care what they might say
They'll never get us anyways

So be my jersey girl
And take a little ride with me tonight
And let's get dirty girl
I know that your a jersey girl inside

The way you turn it up
Turn me on
And then you take it off
Make it hot
Make it loud
We'll wake the whole town

Jersey girl jersey girl
I know that your a jersey girl inside

Let me tell you about a girl from jersey

With hips so curvy

And a boardwalk fight
At the end of the night

And take a little ride with me tonight
And let's get dirty girl
