

# Obsessed

Cash Cash

You stay in bed all day well that's how we're makin love  
You make my dreams come true its all dreamin no  
I never had anyone like you feel the heal from you head to your toes  
I wanna keep you close so close and just never let you go

Its not love we're obsessed  
But I cant really tell when we're both are undressed  
Its not right its not love we're dreamin of  
its not love we're dreamin of [x2]

you're legal ecstasy but wild fantasy  
to sing to your love that a sin and I know where to begin  
here I go you don't even believe in me and you want what your heart can't give  
I'm sick of livin a sunset lie I gotta wake up and say goodbye

cuz its not love we're obsessed  
But I cant really tell when we're both are undressed  
Its not right its not love we're dreamin of  
its not love we're dreamin of  
no we're obsessed oh I fell with you in trap where your kisses at  
Its not right its not love we're dreamin of  
its not love we're dreamin of

cuz love so constant thing but you never gave it to me no no  
I'm thinkin you're just obsessed with a messed up fantasy oh yeah  
its getting hot getting hot hot sugar  
your heart is beating but its wrong what you're thinkin' of  
no its getting hot getting hot hot sugar tonight  
but its wrong cuz its not love

its not love we're obsessed  
But I cant really tell when we're both are undressed  
Its not right its not love we're dreamin of  
its not love we're dreamin of  
we're obsessed oh I fell with you in trap where your kisses at  
Its not right its not love we're dreamin of  
its not love we're dreamin of

It's not love  
No no  
its not love we're dreamin of  
It's not love  
It's not love  
It's not love  
it's not love we're dreamin of  
(song)

Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of  
Its not love we're dreamin of
