Cashless Society

I'm out on the road for so long,
So far away from my home.
Million miles away from the girl that I love.
The last weeks took much too long,
I can't wait to be back at home.
I can't wait to see you again,
Cause I know there's no place like my home.

Like home, like home, no place like my home.
No place like my home.

Home is where the heart is
And my heart belongs to you.
So please give me shelter. I don't want to be alone.
Take me home with you tonight,
My lovely city-lights.
Show me where it all began,
Cause I know there's no place like my home.
No place like my home.
No place like my home-Let's go.
