

# Tame

Cashless Society

Today it's something different  
It's not about being free  
The air is filled with my desperation and you stuck here with me  
Today it's something different  
I don't know what it is  
It seems that all my passion fades away with every kiss  
And all I wanna do is getting home with any wave  
Cause I got a lot of bills and now it's time for you to pay  
Hey, yeah!  
It seems that I am stranded here  
And the person I should blame is oh so tame  
Hey, yeah!  
I think I'm running out of tears  
And the person I should blame is oh so tame
