

Wild Love

Cashmere Cat

Wild love, my love
Wild love, wild love
My love
My love
My love
My love
My love
My love
Wild love
My love
I don't know, if it's even for real
But I know, that it's wild love

Love, love, love, love, wild love
Love, love, love, love, wild love
Love, love, love, love, wild love
Love, love, love, love, wild love

Oh, l-l-love
Oh, l-l-love
Oh baby, oh yeah
Oh, l-l-love
It's a wild love

Love, love, love, love baby
Love, love, love, love baby
Love, love, love, love baby
Love, love, love, love baby
It's a wild love when I love you, love

Wild love
It just keeps coming for you
That is wild love, love, love
Oh, oh, oh, oh, ah, ah, ah, woah
