

# It's Getting Better

Cass Elliot

Once I believed that when love came to me  
It would come with rockets, bells and poetry

But with me and you, it just started quietly and grew  
And believe it or not  
Now there's something groovy and good 'bout whatever we got

And it's getting better  
Growing stronger, warm and wilder  
Getting better everyday, better everyday

I don't feel all turned on and starry eyed  
I just feel a sweet contentment deep inside

Holding you at night just seems kind of natural and right  
And it's not hard to see  
That it isn't half of what it's going to turn out to be

'Cause it's getting better  
Growing stronger, warm and wilder  
Getting better everyday, better everyday

And I don't mind waitin', I don't mind waitin'  
'Cause no matter how long it takes  
The two of us know

That it's getting better  
Growing stronger, warm and wilder  
Getting better everyday, better everyday

Getting better everyday, it's getting better everyday  
Getting better everyday, it's getting better everyday  
Getting better everyday, it's getting better everyday
