Once I believed that when love came to me It would come with rockets, bells and poetry

But with me and you, it just started quietly and grew And believe it or not Now there's something groovy and good 'bout whatever we got

And it's getting better Growing stronger, warm and wilder Getting better everyday, better everyday

I don't feel all turned on and starry eyed
I just feel a sweet contentment deep inside

Holding you at night just seems kind of natural and right And it's not hard to see
That it isn't half of what it's going to turn out to be

'Cause it's getting better Growing stronger, warm and wilder Getting better everyday, better everyday

And I don't mind waitin', I don't mind waitin'
'Cause no matter how long it takes
The two of us know

That it's getting better

Growing stronger, warm and wilder

Getting better everyday, better everyday

Getting better everyday, it's getting better everyday Getting better everyday, it's getting better everyday Getting better everyday, it's getting better everyday ...
