New World Coming

There's a new world coming And it's just around the bend There's a new world coming This one's coming to an end

There's a new voice calling You can hear it if you try And it's growing stronger With each day that passes by

There's a brand new morning Rising clear and sweet and free There's a new day dawning That belongs to you and me

Yes a new world's coming The one we've had visions of Coming in peace, coming in joy Coming in love **Cass Elliot**
