

A Comedian is Someone Who Tells Jokes

Cass McCombs

I spend my days. shaking hands
Forgetting names. recycling cans: a comedian
There's trouble in our nation's capitol
My blues are black, my belly's full
A comedian is someone who tells jokes
It's lunchtime fix a pal a drink
It's nap-time paint the casket pink
Gut thee from me all half-wit-dim-wit souls
Happy Hanukkah. Ho-ho-ho
A comedian is someone who tells jokes
A comedian is someone who tells jokes
It's lunchtime fix a pal a drink
It's nap-time paint the casket pink
I wrote a check to save a whale
And like I said it's in the mail
A comedian is someone who tells jokes
