

# Children of the Night

Cassandra Wilson

Late at night  
When the world is safe within their dreams  
I walk the shadows  
Late at night  
An empty feeling creeps within my soul  
I feel so lonely  
So I go into the darkness of the night  
All alone I walk the streets until I find  
Someone who is just like me  
Looking for some company  
Children of the night  
Late at night  
Late at night  
A restless feeling takes control of me  
And I can't fight it  
Late at night  
I feel the need for someone who like me  
Needs understanding  
So once again I'll search the darkness of the night  
All alone I'll walk each street until I find  
Someone who is just like me  
Looking for some company  
Children of the night  
Late at night  
Late at night  
So once again I'll search the darkness of the night  
All alone I'll walk each street until I find  
Someone who is just like me  
Looking for some company  
Children of the night  
Late at night  
Children of the night, children  
Late at night  
Children of the night, children  
Late at night  
Children of the night, children  
Late at night  
Children of the night, children  
Late at night
