

I'm So Lonesome I Could Cry

Cassandra Wilson

Hear the lonesome whiperwill
He sounds too blue to fly
The midnight train is whining low
Im so lonesome I could cry
Ive never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry
Did you ever see a robin weep
When leaves begin to die
Like me he lost the will to live
Im so lonesome I could cry
The silence of a falling star
Lights up a purple sky
And as I wonder where you are
Im so lonesome I could cry
