

Lover, Come Back to Me

Cassandra Wilson

The sky was blue and high above
The moon was new and so was love
This eager heart of mine was singing
Lover, where can you be?

You came at last, love had its day
That day is past, you've gone away
This aching heart of mine is singing
Lover, come back to me

I remember every little thing
You used to do, I'm so lonely
Every road I walked along
I walked along with you
No wonder I am so lonely

The sky was blue, the night was cold
The moon was new but love was old
And while I'm waiting here
This heart of mine is singing
Lover, come back to me

Oh, I remember every little thing
You used to do, I'm so lonely
Every road I walked along
I walked along with you
No wonder I am so lonely

Oh, the sky was blue, the night was cold
The moon was new but love was old
And while I'm waiting here
This heart of mine is singing

Lover, come back, lover, come back, lover, come back
Lover, come back, lover, come back, lover, come back
Lover, lover, come back, lover, come back

Lover, come back, lover, come back, lover, come back
Lover, come back, lover, come back, lover, come back
Lover, come back, lover, come back to me

Lover, come back, love, love, love, love, love
Love, love, love, love, love, love
Lover, come, lover, come, lover, come back
