## Someday My Prince Will Come

## **Cassandra Wilson**

Some day my prince will come Some day we'll meet again And away to his castle we'll go To be happy forever I know Some day when spring is here We'll find our love anew And the birds will sing And wedding bells will ring Some day when my dreams come true Some day my prince will come Some day I'll find my love And how thrilling that moment will be When the prince of my dreams comes to me He'll whisper "I love you" And steal a kiss or two Though he's far away I'll find my love some day Some day when my dreams come true Some day I'll find my love Someone to call my own And I'll know her the moment we meet For my heart will start skipping a beat Some day we'll say and do Things we've been longing to Though she's far away I'll find my love some day Some day when my dreams come true
