The Very Thought of You

Cassandra Wilson

The very thought of you
And I forget to do
The little ordinary things
That everyone ought to do

I'm living in a kind of daydream
I'm happy as a king
And foolish though it may seem
To me that's everything

The mere idea of you
The longing here for you
You'll never know how slow
The moments go till I'm near to you

I see your face in every flower Your eyes in stars above It's just the thought of you The very thought of you, my love

I see your face in every flower Your eyes in stars above It's the thought of you The very thought of you, my dear
