Cassidy

(feat. Fabolous, Lil Wayne)

[Cassidy speaks in the beginning and between each verse]

[Cassidy]

Yeah, I go by the name of Cassidy the Hustler
And I brought two of my niggaz with me
and we about to shut the industry down
Aiiyyo Wheezy let's get it poppin!

[Lil Wayne]

Hit me!
Fuck that shit this the south side, got a fat dick on your mouth wide
I've come to take outside, nah do it right here
Hop out later owning on everybody's home that you fuckin with
Wheezy F baby, please say the baby
Riding with your bitch got keys on the lady
Triple gold these vogue tyres on the whip
Young Carter sliding out I'm flyer than the whip
Yeah, higher than an angel, or hotter than the devil
The pot or kettle, uh
The metal let 'em burn like Ursha but worse, uh
If there's any beef I come Ron like Mercuh (Mercer)
Word up, eagle street I'm throwing my curve up
We take your ice cream and turn you into sherbert
I got flow I'm like
