If you down with me then I'm down with you
I lay a nigga down if he fuck around with you
And if you ride wit me I ride wit chu
And if you stick by my side I'll provide for you
And if you there for me I'll be there for you
Through the laughter and tears I'll care for you
And if you role wit me I'll role wit chu
Be your friend till the end and grow old wit chu (boo)
Peep it though
