

# You Already Know

Cassidy

(feat. Beanie Sigel, Fabolous & Swizz Beatz)

[Cassidy:]

Cass and Beans you bitch ass niggas  
Philly pistol bangin we gon make'em pay

[Beans:]

You already know (you already know)  
It's the boss of all bosses  
Well repected, reputation flawless  
street record, no losses  
Movie on my life it's a toss up between spike and tarentino  
Well connected like Nicodemo  
Skinny Joey, uhh, come on you niggas know me  
Capo de cape need work get at me  
one four deuce in amsterdam

[Cassidy:]

Ask ya man

[Beans:]

I'm on the hill all day, gettin it the long way  
hicks on broadway call me poppy (?)  
Now move bitch

[Cassidy:]

Get out the way, ay  
Da hustla home i know the game missin me (Come on Cass)  
Me and B Mac on the track, (Beans) the game history  
Picture me lettin these bitch niggas get to me  
You could use my life to write a murder mystery  
And my fist a lil crystally  
My watch on freeze i got more cheese than lil italy (Philly stand up)  
And you ain't got a coin, ya checks go boing  
i get change, big chain hang to my groin  
And i could go to the car lot in a hard top  
and pull another coupe off jag wit the soft top  
i'mma take the roof off i don't do the sun roofs  
and i chrome the boots off dawg i got dumb loot  
Yo Mac tell'em how hard niggas go

[Beans:]

It's State pen, foster fest  
they already kno

[Chorus:]

You got beef than watch ya back  
You already know  
Stand up niggas never act yo  
You already know  
You gotta keep ya enemies close  
You already know  
And neva leave home without toast  
You already know  
Real niggas do what they want  
You already know  
Bitch niggas do what you told

You already know  
You gotta play the hand you was dealt  
You already know  
Two real niggas livin by the code man  
You already know

[Beans:]

You niggas already know how me and Cass get down

[Cassidy:]

Nigga ask around

[Beans:]

Shit we'll lay a nigga casket down

[Cassidy:]

Man i'll grab the ruger smoke'em like a bag of buddha

[Beans:]

Naw Cass just throw'em off the roof

[Cassidy:]

Like a parachuter

[Beans:]

Yea lets see if he gon land on his face or his feet

[Cassidy:]

But Mac i could just take the heat put his face on the street

[Beans:]

Or you could take the back of the gat try breakin his teeth

[Cassidy:]

or i could hit'em wit the piece that could wake the decease  
I'll call the chopper  
Earthquakin be shakin the street (what else)  
I touch ki's i push bass like i'm makin the beat (you already know)

[Beans:]

Slow down Cass ya killin'em  
Take it easy on'em

[Cassidy:]

Naw Mac i'm not feelin'em

[Beans:]

Well fuck it, it's Mac and Cass  
back-to-back like Mac and Brad  
fuck these fake as rappers half these niggas fags  
Designer back packs, tight clothes dressed in drag

[Cassidy:]

tried to hop up on the track look like extra swag

[Beans/Cassidy:]

I'm the truth in the booth  
Mac could bust that ass  
Cass a best on the beat  
Yea i'll crush that ass

[Faboulus:]

And i'm fa sho wit the flow (Who that?)

Ghetto fab (F-A B-O)

I keep the meter on the dash like the yellow cab  
wings on the hood, b's on the pedal tabs  
It's Bentley Beans then it's Continental Cass  
flyin spur Fabo on the collabo  
i'm like zab-do when i let the jab go  
in the lab yo word players like scrabbo

[Cassidy:]

Yo Fabo you ain't bad with the vocab yo  
i bag snow and blow strawberry dro  
Cass it is what it is you already know

[Chorus]

You already know (4x)
