

Is It You

Cassie

I'm looking for a lover not a friend
Somebody who can be there when I need someone to talk to
I'm looking for someone who won't pretend
Somebody not afraid to say
The way they feel about you

And I'm looking for someone who understands
How I feel
Someone who can keep it real
And who knows the way
The way I like to have it my way
And I'm looking for someone who takes me there
Wants to share
Shows he cares
Thinkin' you're the one that I've been waiting for

[chorus: 2x]
Is it you? Is it you?
Maybe you're the one I've been waiting for
Could you be the one for me?
Could you be the one I need?

I'm looking for someone to share my pain
Someone who I can run to
Who will stay with me when it rains
Someone who I can cry with through the night
Someone who I can trust whose heart is right
And I'm looking for someone

And I'm looking for someone who understands
How I feel
Someone who can keep it real
And who knows the way
The way I like to have it my way
And I'm looking for someone who takes me there
Wants to share
Shows he cares
Thinking you're the one that I've been waiting for

[chorus 2x]

Take for granted how much I care (how much I care)
Appreciates that I'm there
Someone who listens
And someone I can call who isn't afraid of love to share

[chorus 2x]
