Just relax and let me make a move

It's me and you, now
I've been waiting
Think I wanna make that move, now
Baby, tell me if you like it
It's me and you, now
I've been waiting
Think I wanna make that move, now
Baby, tell me how you like it

It's me and you, now I've been waiting Think I wanna make that move, now Baby, tell me if you like it It's me and you, now I've been waiting Think I wanna make that move, now Baby, tell me how you like it.
