## **Duel Duet**

You're a loser An abomination in the eyes of any sensitive man And you're a blind alley cruiser Always heading down a losing strait Dreaming that you're screaming at fate You're a dead end dead beat nowhere mister With a kiss like a Mississippi alligator's sister I took as much of you as any man can! You've lost your heart You've lost your cause You lost your baby when you lost your balls! You've lost your mind You've lost your grip So say bye-bye! We lost our Mom We lost our Dad And if I'm losing you Well that's too bad Well the best thing you could ever do is die. You're a failure A malformation in the guise of many An also-ran And yo U're a weeper and a whiner Always treading on the toes of the great Generally spreading your weight You're a spiteful, hateful, asinine creature A pupil with no scruples who knew better than the teacher I took as much of yo U as any man can! You've lost your heart You've lost your cause You lost your baby when you lost your balls! You lost your mind When you lost your grip So say bye-bye! We've lost our home Our family You've lost compassion Now you're losing me. Well the best thing you could ever do is die. Well the best thing you could ever do is die. Well the best thing you could ever do is die.
