

# On The Run

## Cast

Look out, look out, look out, look out  
Look in, look in, look in  
Look out, look out, look out, look out  
Look in, look in, look in  
All I do is a constant reminder  
The future's here and it walks right behind you  
All I see is a constant illusion  
My head spins and my world's in confusion  
Look out, look out, look out, look out  
Look in, look in, look in  
Look out, look out, look out, look out  
Look in, look in, look in  
All I see is self-rearranging  
The moment's here but it's already changing  
Take one step and that's your direction  
You ain't sure, now, was that the intention?  
Pre - Chorus:  
Close my eyes, I think of times  
And this memory's twisting my head  
I've got a feelin' that it's all not over yet  
I've got some things that I just cannot forget  
Chorus:  
All I do is think of you, you've got me on the run  
On the run, on the run  
On the run, on the run  
Look out, look out, look out, look out  
Look in, look in, look in  
Look out, look out, look out, look out  
Look in, look in, look in  
Looking round, you can take it or leave it  
You got a feeling but you must believe it  
All you do is constantly changing  
You feel a rise and it's already fading  
Pre - Chorus + Chorus:  
(Guitar Solo)  
It's taken so long for the sun to appear,  
    (look in, look in, look in, look out)  
Now the blue sky above is so clear,  
    (look out, look out, look out, look in)  
And everything you need is so near  
    (look in, look in, look in, look in, look in, look out)  
It's taken so long for the sun to appear,  
    (look in, look in, look in, look out)  
Now the blue sky above is so clear,  
    (look out, look out, look out, look in)  
Oh, and everything you need is so near  
    (look in, look in, look in, look out, look in)
