

Broken Together

Casting Crowns

What do you think about when you look at me
I know we're not the fairytale you dreamed we'd be
You wore the veil, you walked the aisle, you took my hand
And we dove into a mystery

How I wish we could go back to simpler times
Before all our scars and all our secrets were in the light
Now on this hallowed ground, we've drawn the battle lines
Will we make it through the night

It's going to take much more than promises this time
Only God can change our minds

Maybe you and I we're never meant to be complete
Could we just be broken together
If you can bring your shattered dreams and I'll bring mine
Could healing still be spoken and save us
The only way we'll last forever is broken together

How it must have been so lonely by my side
We were building kingdoms and chasing dreams and left love behind
I'm praying God will help our broken hearts align
And we won't give up the fight
