

## Here I Go Again

Casting Crowns

Father, hear my prayer  
I need the perfect words  
Words that he will hear  
And know they're straight from You  
I don't know what to say  
I only know it hurts  
To see my only friend slowly fade away

So maybe this time I'll speak the words of life  
With Your fire in my eyes  
But that old familiar fear is tearing at my words  
What am I so afraid of?

'Cause here I go again  
Talkin 'bout the rain  
And mulling over things that won't live past today  
And as I dance around the truth  
Time is not his friend  
This might be my last chance to tell him  
That You love Him  
But here I go again, here I go again

Lord, You love him so, You gave Your only Son  
If he will just believe; he will never die  
But how then will he know what he has never heard  
Lord he has never seen mirrored in my life

This might be my last chance to tell him  
That You love him  
This might be my last chance to tell him  
That You love him  
You love him, You love him

What Am I so afraid  
What am I so afraid  
What am I so afraid of?  
How then will he know  
What he has never heard
