

Jesus, Hold Me Now

Casting Crowns

Living on my own, thinking for myself
Castles in the sand, temporary wealth
Now the walls are falling down
Now the storms are closing in
And here I am again

Jesus, hold me now
I need to feel You in this place
To know You're by my side
And hear Your voice tonight
Jesus, hold me now
I long for Your embrace
I'm beat and broken down
I can't find my way out
Jesus, hold me now
Jesus, hold me now

Curse this morning sun,
drags me into one more day
Of reaping what I've sown,
living with my shame
Welcome to my world,
and the life that I have made
One day you're a prince,
and the next day you're a slave

Jesus, hold me now
I need to feel You in this place
To know You're by my side
And hear Your voice tonight
Jesus, hold me now
I long for Your embrace
I'm beat and broken down
I can't find my way out
Jesus, hold me now

Lord, I just looked up today
And realized how far away
I am from where You are
I don't know what else to pray
Broken at Your feet I lay
The life I've torn apart

Jesus, hold me now
I need to feel You in this place
To know You're by my side
And hear Your voice tonight
Jesus, hold me now
I long for Your embrace
I'm beat and broken down
I can't find my way out

Jesus, hold me now
I need to feel You in this place
To know You're by my side
And hear Your voice tonight
Jesus, hold me now

I long for Your embrace
I'm beat and broken down
You are my way out
Jesus, hold me now

Jesus, hold me now
Jesus, hold me now
Jesus, hold me now
Jesus, hold me now
