## **Prayer for a Friend**

## **Casting Crowns**

Lord, I lift my friend to You, I've done all that I know to do I lift my friend to You Complicated circumstances have clouded his view Lord, I lift my friend up to You

I fear that I won't have the words that he needs to hear I pray for Your wisdom, oh God, and a heart that's sincere Lord, I lift my friend up to You

Lord, I lift my friend to You My best friend in the world, I know he means much more to You I want so much to help him, but this is something he has to do And Lord, I lift my friend up to You

'cause there's a way that seems so right to him But You know where that leads He's becoming a puppet of the world, too blind to see the strings Lord, I lift my friend up to You My friend up to You

Lord, I lift my friend to You, I've done all that I know to do I lift my friend to You
