

Daddy

Casualties of Cool

Hey what's the matter
Are your dreams all gone
Well you know
The well was dry

Lazy lonesome monster
Will your dreams meet you
Where you lie
You wait all night

Go tell your daddy
That your dreams fell through
Poor You
The dream has died

Don't move
Don't Breathe
Look it's you
You're Saved
Two by Two, they pass you by
Two by Two, they pass you by

Hey, who's your daddy
Had your dreams flown by
Toss the coin
That I don't mind

Don't move
Don't speak
I've got you in a bind
I've got you in a bind
Two by Two, walk the line
Two by Two, and that's my fine
Two by Two, Two by Two

Put it on the line
