Don't Explain

Cat Power

Hush now, don't explain
You're the cause of all my trouble and pain
Unless you're mine don't explain

My love, my love, my love don't explain There is nothing with me not to gain You know that I love you

Look at what lovin' has done
All my thoughts were real and so sincere
I was so completely yours

You know, I hear folks cha-cha-chatter And I know you cheat Right or wrong right now doesn't matter

You're here with me, sit down, have a seat It's your time to feel the pain It's your time to reel, don't explain

Hush now, don't explain
There is nothing with me now to gain
I'm gonna skip
Don't explain, don't explain
