```
Better call the ships, they been caught sailing
Better call the captain, he's been caught stealing
Better call the porter man, he's been caught leaving
Better call all the guys on the deck, they've been caught with
no feeling
```

Better call the fisherman, 'cause they're coming on land Better call the head nurse, wrap us up, to throw us in the dirt Better call with some resistance, better way to feel no shame Better call with some persistence, that way you feel nothing at all

Better call on evolution
Better way to make a revolution
Better make your mind up quick
Better make your mind up quick
