Oh I do believe In all the things you see What comes is better than what came before

And you'd better come come, come come to me Better come come, come come to me Better run, run run, run run to me Better come

Oh I do believe
In all the things you see
What comes is better than what came before

And you'd better run run, run run to me Better run, run run, run run to me Better come, come come, come come to me You'd better run
