It Ain't Fair

Cat Power

People All around me But I don't even Have a friend Lord knows I been trying And he knows I just can't win Everything I do Yeah Seems to turn Out wrong Sometimes I wish now That I never Been born Whoa

Nobody
Nobody cares
Nobody cares
Baby
You know
I've had my share
Just ain't fair
(Just ain't fair)
Just ain't fair
(Just ain't fair)

Some folks
Got it easy
They live
The life of love
And play
Lord knows
I got
To struggle now
Trying
To make my way

Yeah
I'm walking all day
I'm gonna
Reach the town
I believe
I hope
I can make it yeah
Beacuse my feet
Ain't gonna
Let me stop
Talking about
Jesus

Nobody cares Nobody cares Baby I've had my share
Just ain't fair
Just ain't fair
It just ain't fair
It just ain't fair
It just ain't fair
It just ain't fair
