

## Maybe Not

Cat Power

There's a dream that I see, I pray it can be  
Look cross the land, shake this land  
A wish or a command  
Dream that I see, don't kill it, it's free  
You're just a man, you get what you can

We all do what we can  
So we can do just one more thing  
We can all be free  
Maybe not in words  
Maybe not with a look  
But with your mind

Listen to me, don't walk that street  
There's always an end to it  
Come and be free, you know who I am  
We're just living people

We won't have a thing  
So we got nothing to lose  
We can all be free  
Maybe not with words  
Maybe not with a look  
But with your mind

You've got to choose a wish or command  
At the turn of the tide, is withering thee  
Remember one thing, the dream you can see  
Pray to be, shake this land

We all do what we can  
So we can do just one more thing  
We won't have a thing  
So we've got nothing to lose  
We can all be free  
Maybe not with words  
Maybe not with a look  
But with your mind

But with your mind
