

## No Sense

Cat Power

Do you remember  
Do you remember  
That night at context  
Making up shit  
Like we were animals

We made no sense  
No sense  
We had no sex

Can you see, can you see, can you see  
Can you see, can you see, can you see  
The moon is so hollow  
What's the use  
When I can see right through you  
What's the use

All the hearts that touch your cheek  
How they jump they move they embarrass  
All the hearts that touch your cheek  
How they jump they move they embarrass  
They make no sense, no sense, no sense  
No sense, we had no sex
