Peace and love is a famous generation
I'm a lover but I'm in it to win (2x)

Everybody got shit to pay
Can't go lala with fafa hu-rah-rah
Gotta go dealing with DaDa for nada
It ain't appropriate that I'm stoked that I get
A hundred-thousand hits on the internet
But that don't mean a shit
Even if you're legitimate
I want to feel honey now, like I got money now
But that don't mean a shit
Even if you're legitimate

I used to have scrounge money, on the ground money
Choosing Black Flag was choosing a race
They had a name for us, it was despicable
So disrespectful, we're like the dirty chemical
We were so attracted to mappable
People just wanted us to blend in and fade
Oh, you're a horror now, a visual foul
When I was a teen, I had incredible dreams
99% y'all, it's in the wall y'all
Constitution's fine you're choosing a school
So our kids know who's spinnin' the globe
