

## They Tell Me

Cat Power

They tell me what they do  
I don't know what they're talking about  
They tell me what they do  
I don't understand what they're talking about  
They're talking about it

I did not start this conversation  
I don't intend to keep talking about it  
They tell me about it

Maybe if I pray to the Lord above  
I'll get some sleep  
But the Lord don't give a shit about me

They tell me what they do  
How can I help it?  
How can I help it?  
I sure can't shut them up
