

## Who Knows Where the Time Goes

Cat Power

Sad, deserted shore  
your fickle friends are leaving  
but I am not alone  
while my love is near

Who knows where the time goes?  
who knows where the time goes?

Sad, deserted streets  
your fickle friends are leaving  
I still count the time  
when my love was here

Who knows where the time goes?  
who knows where the time goes?
