

# Wild Is the Wind

Cat Power

Love me, love me  
Say you do  
Let me fly away with you

We are creatures of the wind  
Wild is the wind

Give me more than one caress  
Satisfy this hungriness

We are creatures of the wind  
Wild is the wind

You touch me  
I hear the sound of mandolins, baby  
You kiss me...  
With your kiss my life begins

Like a leaf clings to a tree  
Baby, please cling to me

We are creatures of the wind  
Wild is the wind

You touch me  
I hear the sound of mandolins  
And you kiss me  
With your kiss my life begins..

Love me, love me  
Say you do  
Let me fly away with you
