

# Can't Keep It In

Cat Stevens

Oh I can't keep it in  
I can't keep it in, I've gotta let it out  
I've gotta show the world, world's gotta see  
See all the love, love that's in me

I said, why walk alone?  
Why worry when it's warm over here?  
You've got so much to say, say what you mean  
Mean what you're thinking, and think anything

Oh why, why must you waste you're life away?  
You've got to live for today, then let it go  
Oh, lover, I want to spend this time with you  
There's nothing I wouldn't do, if you let me know

And I can't keep it in  
I can't hide it and I can't lock it away  
I'm up for your love, love heats my blood  
Blood spins my head, and my head falls in love, oh

No, I can't keep it in  
I can't keep it in, I've gotta let it out  
I've gotta show the world, world's gotta know  
Know of the love, love that lies low, so

Why can't you say?  
If you know, then why can't you say?  
You've got too much deceit, deceit kills the light  
Light has to shine, I said shine light, shine light

Love, that's no way to live your life  
You allow too much to go by, and that won't do, no  
Lover, I wanna have you here by my side  
Now don't you run, don't you hide, while I'm with you, oh

And I can't keep it in  
I can't keep it in, I've gotta let it out  
I've gotta show the world, world's gotta see  
See all the love, love that's in me

I said, why walk alone?  
Now why worry when it's warm over here?  
You've got so much to say, say what you mean  
Mean what you're thinking, and think anything, why not?  
Now why why why not?
