## I'm So Sleepy

**Cat Stevens** 

I'm so sleepy, yeah
I'm so sleepy, yeah
I could lay my head on a piece of lead
And imagine it was a springy bed
'Cause I'm sleepy, sleepy

Soon I'm gonna slip away In the night I feel it creeping, creeping, creeping

I'm so sleepy yeah
I'm so sleepy yeah
I could lay my head on a piece of lead
And imagine it was a springy bed
'Cause I'm sleepy, sleepy

I can't keep my mind away from my dreams, I hear them calling, calling, calling Soon I'm gonna slip away Soon I'm gonna slip away In the night I'm gonna slip away I won't fight it, I'll just ride it

I'm so sleepy yeah I'm so sleepy yeah I could lay my head on a piece of lead And imagine it was a springy bed 'Cause I'm sleepy, sleepy Yeah
