## If I Laugh

## **Cat Stevens**

If I laugh just a little bit maybe I can forget the chance that I didn't have to know you and live in peace, in peace Mmm, oh yeah

If I laugh just little bit maybe I can forget the plans that I didn't use to get you at home - with me - alone Mmm, oh yeah

If I laugh just a little bit maybe I can recall the way that I used to be, before you and sleep at night - and dream If I laugh, baby if I laugh just a little bit Oh yeah
