

Last Love Song

Cat Stevens

If you don't love me
Please don't treat me this way
Cause I can't stand it
I see our love slipping away
Did you think you could just put me down
Like a worn out shoe
Cause if you don't want me
Maybe I don't want you

If you don't need me
Don't leave me out in the cold
Eyes drifting by me
Like somebody you don't know
Did you think that you could just walk away
Anytime you wanted to
Cause if you don't love me
Maybe I don't love you

Did you think that you could just put me down
For somebody new
Cause nobody can love you girl like I do
Every little bird in the sky
Would sing a song of love

If you would just take me back
Come on open up your heart again
Let me in baby baby

If you don't love me
Stop fooling yourself
No more acting
I know your show too well
Did you think that you could just shake my hand
With a how d'y'do
Cause if you don't want me
Maybe I don't want you

Oh and as you go through life
It's the little things that come back again
If you came back again
You know I'd give my loving to you
