Mona Bone Jakon

Cat Stevens

```
Yes, I've got a mona bone jakon
But it won't be lonely for long
Yes, I've got a mona bone jakon
But it won't be lonely for long

Yes, I've got my reasons and to me they're all true
And I wouldn't change them, not even for you
Yes, I've got a mona bone jakon
But it won't be lonely for long

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah

Now
Yes, so much
```
