Peace Train

Cat Stevens

Now I've been happy lately, thinking about the good things to come and I believe it could be Something good has become

Oh I've been smiling lately, dreaming about the world as one and I believe it could be Someday it's going to come

Cause out on the edge of darkness there rides a peace train Oh peace train take this country come take me home again

Now I've been smiling lately thinking about the good things to come and I believe it could be Something good has begun

Oh peace train sounding louder glide on the peace train ooooooooo Come on the peace train

Peace train holy roller everone jump on the peace train ooooooooo Come on the peace train

Get your bags together, go bring your good friends too Cause it's getting nearer it soon will be with you

Oh come and join the living Its not so far from you And it's getting nearer soon it will all be true

Now I've been crying lately thinking about the world as it is why must we go on hating why can't we live in bliss

Oh peace train sounding louder glide on the peace train oooooooo Come on the peace train
