

# Dawn of the Chosen World

Catamenia

Am I the chosen one  
king of the darkest thrones  
blessed with demons blood  
which makes my way through the christian flood.

Am I the poisoned one  
from the bite of serpent`s crown  
marked with seventh fire  
which makes my way to desire.

Bury the sun into eternity  
that dark shall come upon  
hail the future for chosens  
in the world of endless coldness.

Am I the seduced one  
by the mistress of the night  
lusting for bloodpath  
take my arms and cut the veins with wrath.

Bury the sun into eternity...

I am the chosen one...  
I am the poisoned one...  
I am the seduced one...  
with these aspects, I take the control to this world...

Bury the sun into eternity...
