Tinkerbell should have waited before turning on the tv show Tinkerbell should have waited before turning on the tv show

Tinkerbell should have waited before turning on the tv show She should have waited she should have waited before the show

The tv show (la la la la la la la) the tv show The tv show (la la la la la la la) the tv show

Did you fly into a rage? Did you lust for centre stage? Look the monkey in the eye (the tv show, the tv show)

Did you yearn to leave your mark? did you swear that youdd go far? look the monkey in the eye (the tv show, the tv show)

If you want to be a star tell the monkey where you are look the monkey in the eye (the tv show, the tv show)
