

The Mother Of Misogyny

Catatonia

Did you find that some
Autumn day
Your life was in disarray
forlorn for good
Did you do what your
parents done ?
Find some mad equilibrium

Now I can say honestly,
you're a masculine travesty
For-warned is for-armed
Your purple patch came
and went
All those love letters never sent

He was the mother
of misogyny, mother of
Mother of m-i-s-o-g-y-n-y,
misogyny
Mother of, mother
of misogyny, misogyny

You're so much a part of me
It's lifes greatest tragedy
Unarmed and undone
Still you do what you
always done
Find some mild equilibrium

He was the mother
of misogyny, mother of
Mother of m-i-s-o-g-y-n-y,
misogyny
Mother of, mother
of misogyny, misogyny
